

The Loire wall tile collection proclaims the virtues of creativity and is the ideal choice for those truly seeking to add a pop of character to a room. Loire goes well with tiles in different styles, such as cement or marble effects. It comes in a single 16"x48" format offering two finishes: Light with its cream and oak tones; and Dark, using earth and vivid tones.

16"x48" loire wall tile - art light 270258

16"x48" loire wall tile - art dark 270259
