

Arc

SMALL FORMAT

Made in Spain • Porcelain Field Tiles • Pressed • 8.5mm

Arc is an 8.5mm pressed glazed porcelain made in Spain in an unusual 4½" x 9" format, defined by a reverse-fluted concave 3D texture that catches and softens light across the surface. Rated for both interior and exterior applications—built for feature walls, backsplashes, facades, and architectural compositions where dimension is part of the design.
