

Chroma

LARGE FORMAT

Made in Spain • Rectified • Color-Body Porcelain • 11mm

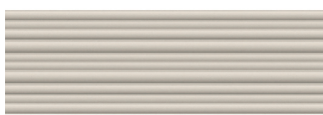

Chroma is a monochromatic study in white, black, and the greys between—rendered in a 10mm rectified color-body porcelain made in Spain. Its unusual 6 7/16" X 20 3/8" format is offered in a flat finish and two distinct 3D structures, giving designers a single tonal language across smooth, textural, and dimensional surfaces.
