WALL PANELS & LEDGERS

Made in Italy • 3D Porcelain Wall Panels + Mitered Corners • 12mm

Marmi brings the soft veining and tonal calm of marble to a three-dimensional, stacked porcelain wall panel—8–12mm reverse-pressed and made in Italy in 6¼" x 15¾" format with matching mitered corners. The dimensional surface delivers marble's character to interior and exterior walls in a continuous, low-grout-joint installation.
