

# Natura

## WALL PANELS & LEDGERS

Made in Italy • 3D Porcelain Wall Panels + Mitered Corners • 15mm

Natura draws on the layered character of natural quartzite and slate, translated into a reverse-pressed interlocking porcelain wall panel made in Italy. Offered across a palette that moves from quiet to bold, it is engineered for fireplaces, showers, and pool and spa waterlines—including the dimensional Xtreme 3D profile.

## SIZES & FINISHES
