

Noble

LARGE FORMAT

Made in USA • Glazed Porcelain • Rectified • 9mm

Noble draws the language of classical marble into a 9mm rectified glazed porcelain made in the USA. Three polished colorways run from the warm cream and gold of Grace, through the cool linear grey of Beauty, to the clouded brown of Charm — enough range to carry a room alone or to set off adjacent stone. Offered in 12" X 24" field tile with coordinating mosaic and bullnose, and suited to vertical work: feature walls, wainscots, and wet-area walls.
