

Plankette

SMALL FORMAT

Made in Italy • Porcelain • Pressed • 9mm

Plankette narrows linear design to a 1½" x 15" plank in 9mm pressed glazed porcelain made in Italy. Seven colorways across matte and glossy — white and nude at one end, petroleum and charcoal at the other — give the format enough range to read as a quiet field or as pattern. Matte is specified for interior floors in residential and light commercial work; both finishes run up walls indoors and out, including shower walls and pool waterlines.
