Made in Spain · Porcelain Field Tile; White Body Wall Tile & Trim · 8mm

Switch translates the timeless shapes of Old Spanish ceramics—pickets, subways, and matching trims—into an 8mm pressed white-body wall tile made in Spain, available in matte and glossy finishes across a palette of soft, lived-in colors. Coordinating porcelain hexagons extend the collection to floor and exterior applications, giving designers a unified language across walls, floors, and outdoor surfaces.
