Made in Italy • Rectified • Color-Body Porcelain • 9mm

Veneto reproduces the linear movement of vein-cut Italian travertine in a 9mm rectified color-body porcelain made in Italy. Real Surface Technology renders the stone's grain with striking depth and realism across both 12" x 24" and 24" x 48" formats, with the larger size also offered in a polished finish—engineered to deliver the language of travertine in a fully consistent, performance-graded surface.
