

Volcano

WALL PANELS & LEDGERS

Made in Italy · 3D Porcelain Wall Panels + Mitered Corners

Volcano interprets the language of cement in a three-dimensional 6" x 24" pressed porcelain wall panel made in Italy, with multiple concrete finishes layered within a single panel for a richly varied surface. Offered in three colorways with matching mitered corners and rated for interior, exterior, and pool environments— built to bring depth and tactility to walls and facades across full architectural specifications.
