

DreamScapes™

CUSTOM COPING PROFILES

DreamScapes copings are made from the same 3/4" (2 cm) full-body porcelain as the pavers, so the shaped edge shows the color of the porcelain body. Choose from six edge profiles; the item code ending tells you which profile is applied.

EDGE PROFILES

Unglazed Bullnose

Item code ending: 285xxx (no ending)

Full round edge. Our standard coping.

Mitered L-Shape

Item code ending: -L

2" standard drop, 45° mitered joint.

Micro-Bevel

Item code ending: -2BV

Small bevel along a single 24" edge.

Half Bullnose

Item code ending: -HBN

Rounded top edge, square bottom.

Eased Edge

Item code ending: -EE

Softly eased top edge.

Double Half Bullnose

Item code ending: -DHBN

Laminated 1 1/2" edge with a full round nose.

Fully customizable

Every coping can be cut to the dimensions your project calls for, including the drop of our L-shape copings. Coordinating end caps, wall caps and corners are available. Speak with your Pera Tile representative to specify.
